Jason Cohen
Purigen98

Dear Jason:

Just a short note to express my satisfaction on the Purigen98 product/service. As you know, we leased the Purigen98 machine sometime during the end of last month. In a span of about three weeks, we have sold over 40 Nitrogen Purgen98 services! Our customers simply love this new service.

I would also like to compliment you and your team at Purigen98 for your professionalism and excellent support & customer service. Keep up the good work!

Best regards,
